As the person signing this authorization, I understand that I am giving permission to the Virginia Department of Health (VDH) to disclose personal health information to the person(s) or organization(s) indicated below.

- I authorize VDH to disclose my child's health information to the child's primary care physician and school.
- I understand that this record will be retained for ten years after the last visit or for five years after age 18, whichever comes later.

**SECTION G: NOTICE OF DEEMED CONSENT
(Required by §32.1-45.1 of the Code of Virginia (1950), as amended)**

If the health care provider or the person acting under the health care provider's direction and control is directly exposed to my child's blood in a way that may transmit disease, I understand that the law requires my child to give a venous blood sample for further tests. I understand that the tests to be performed are for human immunodeficiency virus (HIV), hepatitis and/or other infectious diseases and that a physician or health care provider will inform me and the exposed provider of the results of the test.

I understand that the Virginia Department of Health will not release private medical records unless authorized above or to continue care.
